City Guide

“Parley’s Park City”

Nestled high in the Wasatch Mountains, the historic mining town of Park City, Utah is unlike any other ski town in the world.

Located just 32 miles southeast of downtown Salt Lake City, Park City has developed a strong infrastructure to support visitors as it is home to three of the nation’s leading ski resorts, including Park City Mountain Resort, The Canyons, and Deer Valley Resort. In Park City, you can explore a mountain of possibilities along with a small town charm of Park City’s Historic Main Street, which is lined with buildings built during the 19th-century silver mining boom. With an abundance of restaurants, bars, galleries, and shops, you’ll find something new to explore every day. Famed through the 2002 Winter Olympic games, Park City offers a culture of expenditure, adventure, wealth, and a variety of festivals and events held throughout the year. You can enjoy one of the many annual traditions from the Sundance Film Festival in January to the ever-popular Kimball Arts Festival in August. If you’re not an avid skier, Mother Nature beckons you to enjoy fly-fishing, mountain biking, hot air ballooning, horseback riding, river rafting, and golfing all summer long. Come and see why Utah is a great place to live, raise a family, and do business. For more information, visit <https://www.visitparkcity.com/>.
