City Guide

“The Red Stick”

Baton Rouge is the capital of the U.S. state of Louisiana and its second-largest city. The seat of East Baton Rouge Parish, the city is located on the eastern bank of the Mississippi River. Relive its colorful history through cuisine and architecture, both a blend of Creole and Cajun, topped with Italian, German, Spanish, Caribbean and Greek flavorings. Learn more about the history at the Old State Capitol or visit the Louisiana Art & Science Museum, Southern University's Museum of Art, and the Capitol Park Museum, where exhibits include everything from Mardi Gras costumes to musical artifacts. Town Square is a great place to relax or find the next big act. Families will love Liberty Lagoon waterpark or Perkins Road Community Park for the kids to play. Learning is fun at the Bluebonnet Swamp Nature Center and Baton Rouge Zoo. For more information, visit <http://www.visitbatonrouge.com/>
