

# Los Angeles, California

## City Guide

*“The Entertainment Capital of the World”*

Los Angeles is the most populous city in California and the second most populous in the United States. LA is known as the entertainment capital of the world and a trend-setting city having a rich cultural heritage. This is a very lively and upbeat area welcoming you into the exciting culture. You can eat the best of food in the world in the Bay Area, and then drive a few hours and be surrounded by wilderness in the Sierras. Countless of adventures are waiting for you in LA. Hit the beach for waves, surf boards and organic tacos. See the natural wonders and rock climb to the highest of mountains. Legendary studios such as Universal Studios, Warner Brothers, Paramount Pictures and Sony Pictures offer the ultimate film and TV fan experience. From world famous theme parks such as Disneyland to shopping at the Fashion District in Downtown LA, this great city of California has something for everyone.
