

Minneapolis, Minnesota

City Guide

"City of the Lakes"

Minneapolis lies on the Mississippi River, being abundantly rich in water and natural scenery with lakes, wetlands, forests and waterfalls. As the primary business center between Chicago and Seattle, Minneapolis holds America's fifth highest concentration of Fortune 500 companies. From fine dining and nightlife to wineries and art scenes, this city makes for an excellent night out for city goers or for the perfect night for two. Children's museums, free attractions, amusement parks, zoos and resorts also make for the perfect family weekend. This city goes very well with young, single professionals and is an extremely ideal location for families and children. In the towns surrounded by lakes, family resorts and camping grounds, you will find much to do.
