

Akron, Ohio

City Guide

Akron lies just south of Lake Erie; about forty miles away from Cleveland with the Little Cuyahoga River running straight through. This city is booming and a great place for business and family relocation. Conducive to growth and expansion, Akron has much potential with an environment suitable for economic startups. The city of Akron is loved by every resident it holds and strives for a healthy and clean environment. Explore the Cuyahoga Valley National Park - among the Top 10 Most Visited in the U.S. - featuring more than 33,000 acres to hike, bike, ski, sled or simply unwind. Akron recognizes the importance of quality education and generously provides for public school operations that accommodates student needs. Thirteen colleges and universities are located within an acceptable commuting distance of the Greater Akron area. For more information, visit <http://www.visitakron-summit.org/>
